

2017 West Lafayette in Bloom

Floral Fiesta!

Continuing the tradition of a city-wide planting theme, this year will be a multi-color fiesta, focusing on the “hot” part of the rainbow- bright red, pink, yellow and orange. To help you find a good assortment of these annuals, we have worked with Galema’s to provide a wide choice of plants that are appropriate for sun and shade, containers and bedding plantings. The prices quoted are for full flats and must be ordered and paid for by May 4th. Delivery will be to the site of the WL Farmers Market (Cumberland Park parking lot) at 9 AM on Saturday, May 13th.

There are 14 different varieties of annuals available this year: 5 are in 4.5 inch pots (flats of 10 pots for \$26 per flat,) red geraniums at 18 per flat for \$17.00 per flat, Wave petunias in two colors 18 per flat at \$15 per flat and 6 varieties in 48-plant flats for \$11 per flat.

Checks must accompany the order blank and be made payable to MGATC (our sponsoring organization is Master Gardener Association-- of Tippecanoe County).

Orders can be mailed to Lynn Layden, 2826 Ashland Street, West Lafayette, IN 47906. Call her with questions at 463-2242 or email her at layden.lm@frontier.com

Please be present for pick-up at the WL Farmers Market site on North Salisbury Street (Cumberland Park parking lot) at 9:00 AM on May 13th or arrange for a substitute to pick up your order.
